Bound By Your Annuity?

Annuities provide regular cash payments for the future, but what if you want or need the money today?

The Solution is Simple

Selling your future annuity payments for cash today has never been easier. You can sell all or a portion of your annuity payments, depending on your particular situation, needs and goals. Instead of waiting to receive small payouts over a lengthy period, you can receive a large lump sum of cash that you can use for anything: paying down credit card debt, purchasing a new home, alternative investments, college tuition or perhaps a vacation.

Regardless of how you spend the money, you can sell your annuity payments to gain access to your money sooner rather than later.

Converting Your Annuity to Cash is Quick & Easy

How Does it Work?

Cashing in all or a portion of your annuity is easy and fast.

- 1) Fax us a copy of your annuity paperwork or call to let us know which payments you are interested in selling.
- 2) We will provide you with a no-obligation quote, typically on the same day.
- 3) If you decide to proceed, we will overnight to you an annuity purchase application package with a pre-paid return envelope.
- 4) We receive a copy of your annuity and the signed contract.
- 5) You receive a cash lump sum.

The Annuity Purchase Administrator

Our team is standing by to quickly and professionally evaluate your annuity and tailor the purchase to meet your specific needs. There are many reasons why selling some or all of your annuity payments may make sense. Whether you have a change in your financial situation or perhaps you were not the original owner of your annuity and would rather convert your annuity payments to cash, our team will make it easy for you to sell your annuity payments.

It's Your Annuity

Annuities serve a great purpose in the vast majority of circumstances. The reasons for purchasing an annuity are unlimited. Over time, however, there are an equal number of reasons why individual circumstances change causing what was once a great source of future cash flows to become merely an illiquid asset that restricts you from achieving your current financial goals. The **New England Brokerage Annuity Purchase Program** empowers you with the choices and options you need to best meet your current financial objectives.

Regardless of whether you want to purchase a home, make alternative investments, purchase life insurance, pay off credit card debt, pay for college tuition or perhaps simply take a dream vacation, the Annuity Purchase Administrator can design a custom solution allowing you to sell some or all of your future annuity payments to meet your current needs.

“We thought we had to wait years for our money. We had no idea we could sell our annuity for a lump sum of cash.”

Where Do You Stand?

- Has your financial situation changed since you purchased your annuity?
- Did you inherit your annuity and would rather have a lump sum?
- Is a current lump sum a better fit for your lifestyle?
