

WHO WE ARE

The New England Brokerage (“NEB”) Renewal Funding program is the source for capital for independent insurance agents. The transaction uses recurring commissions from your book of business as the basis for the loan, thus recognizing value in your business when other lenders do not.

OUR FUNDING SOLUTIONS

If you’re looking to grow or reposition your agency, “smooth out” cash flows, acquire another agency, add new agents, or simply want the peace of mind of having additional capital available, then call NEB Renewal Funding today. When there is a need for short term working capital (6-12 months), NEB is ready to assist you in meeting your financial needs.

HOW DOES IT WORK?

The funding administrator arranges a loan to insurance agents based solely on the recurring commissions in their book of business. The loan process is simple.

- Fill out a Loan Quote Request
- Receive a preliminary quote based on your unverified information
- Complete a loan application
